

Gentle Lifetime Dentistry

“It’s worth spending a bit more”

15 Ways We Make It Easy to Be Our Patient:

1. Our dentist takes the time to listen to you without running to their next patient
2. Deliver gentle caring dentistry
3. Thoroughness
4. On time appointments
5. State of the art facility open 7 AM – 5 PM
6. Friendly doctor and staff
7. Educational based dental practice
8. Respectful of you and your time
9. Personalized attention and care
10. Can finish all of your dental work in just a few appointments
11. No scraping during cleanings or poking at your teeth during an exam because of new technology
12. Convenient 1st floor location with plenty of parking
13. Variety of payment plans
14. We file insurance
15. We will even watch your children while you get your work done...Really!

Are your missing teeth, aging smile, or dentures making you miserable? For over 30 years Dr. Ron Schefdore has created award winning smiles and practiced gentle lifetime dentistry. Fixing your smile and gums can have a positive

impact on your overall appearance, overall health, and self-confidence. Dr. Schefdore has been featured in The Wall Street Journal, Fox News, NBC, Chicago Tribune, Readers Digest, Prevention Magazine, First Magazine For Women, and more. He has been recognized for the last 6 years as one of dentistry's top lecturers by the prestigious Dentistry Today Magazine.

Are you looking for a “Permanent Dental Home”? Make an appointment with Dr. Schefdore and experience a gentle, personalized service with the experience you would expect from a caring dentist.

“We love what we do for our patients” – Dr. Ron Schefdore
